

COLOURS FOR FOOTWEAR

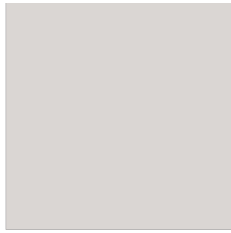

This book shows a selection of shades proposed by REPI for the Footwear industry. The colour shades are suitable to colour soles (midsole and outsole) and boots made of PU, TPU and PVC.

According to the material to colour, intensity and tone may vary from the illustration.

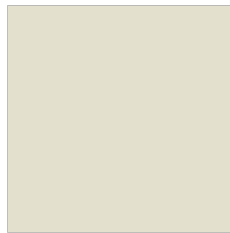

REPI's liquid colours can be used in mass colouration or metered directly into the mixing head.

COLORI PER CALZATURA

Questa cartella illustra molteplici toni di colori liquidi specificatamente formulati per l'industria della CALZATURA.

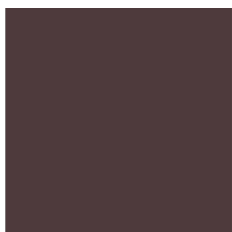

Le tonalità illustrate sono idonee per colorazione di soles (midsole e outsole) e scarponi in PU, TPU e PVC.

A seconda del materiale utilizzato, le tonalità possono variare rispetto all'illustrazione.

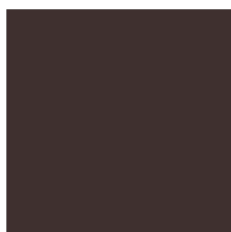

I colori liquidi REPI possono essere utilizzati in massa o dosati direttamente in testa di miscelazione.
